

Street Closure Agreement

Upon approval by the City Council, the City of Spirit Lake will allow streets to be closed to the general public for purposes of neighborhood gatherings. For such events, a contact person is identified and agrees to the following:

1. The City will place barricades on right-of-way prior to the event. Usually this is done on a week day. The neighborhood is responsible for erecting and dismantling the barricades before and after the event. When the event is over, take the barricades and place them where they were left originally on the right-of-way.
2. The City does not provide any other direct support for neighborhood events unless specific arrangements are needed and approved by the City Administrator or Police Chief.
3. Neighbors participating in the event should be reminded that civil behavior is expected. While outdoor consumption of alcoholic beverages is allowed, public offenses are not tolerated. Failure to abide by this will result in the event being terminated and the barricades removed by the Police Department.
4. Not all neighbors may participate in the event, so be mindful of their rights.

For the Neighborhood:
